

The figure displays two side-by-side box plots comparing the distribution of the 'None' category for two groups, 0 (gray) and 1 (pink). The y-axis represents the 'None' category. Group 0 shows a wider distribution with many outliers, while Group 1 shows a more concentrated distribution with fewer outliers.

Group	Min	Q1	Median	Q3	Max	Outliers
0 (Gray)	~0.0	~0.0	~0.5	~1.0	~1.5	Many outliers above 1.5 and below 0.0
1 (Pink)	~0.0	~0.0	~0.5	~1.0	~1.5	Few outliers above 1.5 and below 0.0

A horizontal number line with tick marks at 0 and 1. A vertical line segment is drawn at the midpoint, labeled 0.5.
