

Box plot comparing the distribution of a variable across two categories: 'None' (gray) and '1' (pink). The y-axis represents the values of the variable, ranging from 0 to 1.0. The x-axis labels are 'None' and '1'.

The 'None' group (gray) shows a median around 0.4, with a box spanning from approximately 0.2 to 0.6. The '1' group (pink) shows a median around 0.7, with a box spanning from approximately 0.5 to 0.8. Both groups exhibit outliers, with the 'None' group having several high outliers near 1.0 and the '1' group having several low outliers near 0.0.
